EDUCATION

B. E (CSE) - Sri Eshwar College of Engineering, Coimbatore	CGPA: 8.42 (up to 5 th semester)	2023-2027
HSC – Kids Park Matric Higher Secondary School	93.50%	2021-2023
SSLC – Kids Park Matric Higher Secondary School	90.83%	2019-2021

INTERNSHIP

MERN Stack Intern – Consensus Academy **Jan 2025**

Gained hands-on experience in Java, MySQL, and JDBC to design and implement efficient backend systems, enhancing database management skills. Developed an optimized interactive project focusing on data handling, seamless connectivity, and user interaction, strengthening problem-solving through practical deployment.

JAVA (Spring Boot + React) Intern – RamPex Technologies **Jul 2025**

Developed practical skills in Java (Spring Boot), React.js, and MySQL, strengthening expertise in building full-stack applications and managing seamless data flow. Designed dynamic front-end experiences and robust backend systems during the internship.

PROJECTS

Skill Exchange Platform: Tech stack: MERN stack **2026**

Developed a full-stack Skill Exchange Platform using Node.js, Express, MongoDB, and Socket.IO, enabling users to connect, exchange skills, and chat in real time. Implemented JWT-based authentication, user profiles, skill management, and a skill-matching system. Built features for exchange requests, session scheduling, and review/rating. Designed secure RESTful APIs with middleware, error handling, and a scalable architecture.

Event Management System: Tech stack: MERN stack **2025**

Developed a full-stack Event Management System using Node.js and React with multi-role access (Super Admin, Admin, Organizer, Mentor, Student). Implemented event creation, approval workflows, registration, proof verification, and role-based access control. Integrated JWT authentication with secure password hashing and built interactive dashboards with reporting. Designed a responsive UI with protected routes for seamless user experience.

Digital Recipe Organizer: Tech stack: Java, MySQL, JDBC, Eclipse **2024**

Built a Digital Recipe Organizer using Java, MySQL, and JDBC in Eclipse. Enabled users to add, categorize, and manage recipes, along with submitting reviews and ratings. Implemented search and filtering functionality and optimized database interactions for fast, efficient data retrieval and storage.

TECHNICAL SKILLS

Languages - C|C++|Java| Python |JavaScript

Core Concepts – DSA|OOPS|DBMS

Web Technologies – HTML |CSS

Frameworks – React JS| Tailwind CSS

Query Language – MySQL | MongoDB

Tools – VS Code |Cisco Packet Tracer |Eclipse |GitHub

CERTIFICATION

Udemy – Learn Java Programming – Beginner to Master	2025
Udemy – Mastering Data Structures and Algorithms Using C & C++	2024
Udemy – MySQL for Beginners: A Complete Training for beginners	2024
Udemy– Python Foundation Certification	2024
Hacker Rank – SQL (Basic) Certificate	2024

ACHIEVEMENTS

LEETCODE: problems solved : 340 (max rating: 1553) | **CODECHEF:** (max:845) |

SKILLRACK: problems solved : 700+
